

"It Ain't Over"

Verse 1

I know the odds look stacked against you
And it seems there's no way out
I know the issue seems unchangeable
And that there's no reason to shout
But the impossible is God's chance
To work a miracle, miracle
So just know, it ain't over until God says it's over,
It ain't over until God says it's done
No, no no no no! It ain't over until God says it's over,
Keep fighting until your victory is won

He never said it would be easy
But you're a winner in the end
Jesus defeated all your enemies
Way before the fight began
But the impossible is God's chance
to work a miracle, a miracle
So just know, it ain't over until God says it's over,
It ain't over until God says it's done
until God says it's over,
It ain't over until God says it's over
Keep fighting until your victory is won

Bridge

Oh! When people say you can't, remember,

He can, He can

When you don't know what you're gonna do,

Please remember

He has the master plan

He will free you from your sin,

And give you peace within

So you better hold your head high

You're gonna win,

You're gonna win, You're gonna win

yes you're gonna win

Cause it ain't over!

It ain't over until God says it's over

It ain't over until God says it's done

No, no no no no! It ain't over until God says it's over ,

Keep fighting, keep praying, keep fasting, It ain't over no!

Keep pressing, progressing, keep moving, It ain't over no!

Keep reading, interceding, keep believing, It ain't over no!

Keep trusting, keep trying, traveling, It ain't over no!

Keep living, keep giving, keep going, It ain't over no!

It ain't over no! x 8

Keep fighting, until your victory is won
