He'll be with you in the dark-est hour

And I know He'll send His pow'r

Right now I'm a wit-ness for the Lord.

VERSE

I've never been to Heaven But I've been told all about it

My soul is a wit-ness for the Lord.

The gates are pearl and the streets are shining gold

My soul is a wit-ness for the Lord.

For all that He has done has done for me

My soul is a wit-ness for the Lord.

And for His grace His grace so rich and free

My soul is a wit-ness for the Lord.

He keeps me ev 'ry day and ev'ry hour

My soul is a wit-ness for the Lord.

Right now I feel I feel His cleansing power

My soul is a wit-ness for the Lord.
